EXAMINER'S COMMENT

Claim Objections

The numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

Misnumbered claims 54-62 have been renumbered 53-61 because there was no original claim 53.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to PHILIPPE S DERAESHANI whose telephone number is 703-308-0264. The examiner can normally be reached on 8 hour days.
